

Penticton – Kelowna - West Kelowna

---

## Employment opportunity for Surveying Technologist in Penticton BC

AllTerra is currently seeking an experienced Surveying/Geomatics Technologist for our **Penticton Office**.

The ideal candidate holds a 2-year Diploma of Technology in Geomatics (or similar) and has 3+ years experience working with a land surveying company in BC. The position will provide both field and office work in the south and central Okanagan.

Qualities considered assets include:

- A conscientious, positive and willing attitude
- A valid Class 5 drivers licence
- Strong communication skills, both oral and written
- Ability to handle complex projects with minimal supervision
- Use of Microsurvey, FieldGenius, StarNet, robotic TS and GPS
- Field and office experience in preparing legal surveys and performing engineering and construction layout.

Remuneration dependent upon experience and will include profit sharing.

Please email resumes, including an introductory cover letter, in confidence, to:
