

Employment Opportunity for Surveying Technologist in Penticton BC

AllTerra is currently seeking an experienced Surveying/Geomatics Technologist for our **Penticton** Office.

Why should you be interested in this position?

The Lifestyle

Recreation

- There are over 35 golf courses within a 60 minute drive of Penticton.
- It is only a 40 minute drive to Apex Mtn. Ski Resort and Nickel Plate Cross Country, and a 60 minute drive to Big White or Mt. Baldy.
- Penticton is in the heart of Okanagan wine country, cradled within tree trimmed mountain slopes, dramatic cliffs, and bordered by two pristine lakes, Penticton offers it's natural beauty all year round for hiking, biking, world class rock climbing, running, swimming or any other outdoor sport you can imagine.

Commuting

- You can drive anywhere in Penticton within 5 minutes and rush hour does not exist.

Convenience

- Penticton has all the amenities of a big city and the charm, safety and friendliness of a small town.

Climate

- Penticton has the best climate in Canada as ranked by Environment Canada. The semi-arid desert climate provides over 2000 hours of bright sunshine and only 23 cm of rain per year. Average temperatures are 28°C in summer 2°C in winter.

Affordability

- Your real estate dollar goes much further here than in many parts of BC.

The Opportunity
